

Common Preschool Events

Below are some of the types of events you can look forward to while attending our preschool! While specific events vary from year to year based on the desires of the enrolled families, these are some of the common events we've planned throughout the years.

Halloween Party

Each year we put on a Halloween party for the children and their parents. Parents are invited to join us during the program time and participate in games, dancing, and a special snack. The children are encouraged to dress up – and parents are welcome to as well!

Toy Cleanup

Each year we schedule toy cleanups throughout the year. These take place during the program, usually between 10:30AM and 12:00PM when the children are outside. Signup sheets are posted in the classroom and each family must participate in one cleanup per year or forfeit their toy cleaning deposit given during registration.

Children's Christmas Party

The Christmas Party is typically held during class time on the last Thursday before the school closes for the Christmas holiday. Parents are encouraged to attend and join the festivities. The children take part in games and dancing, and we usually have a very special guest visit us...SANTA!!

Valentine's Day

Leading up to Valentine's Day, the children decorate their own folders in the theme of love and friendship, and place these at their cubbies. On Valentine's Day everyone brings cards to deliver to each of their classmates' cubbies!

Mother's and Father's Day Celebrations

Each year the children plan something special to honour their parents on Mother's Day and Father's Day!

Last Day of School/Graduation

On the last day of school, parents join their children in the classroom to celebrate the end of the school year as well as the children who will be graduating to Kindergarten in the fall. Families enjoy fun and games indoors and outdoors, and a special treat.

Summer in the Park

Throughout the summer we get together at least once a week at different parks throughout the community to stay in touch and have fun together over the summer months!
